MITRE SAW CUT-LINE SYSTEM

NEW

**XLR™ SDS-PLUS
DRILL BITS**

DEWALT

PRECISELY.

Welcome to the World of Precision. The new DW717 250mm cross cut, double bevel mitre saw has been built for precision and durability, delivering accurate cuts every time. The high specification and build quality ensures that the DW717 is always accurate and always dependable. All DEWALT mitre saws come with a no-risk, 30-day Satisfaction Guarantee. Pure Precision from DEWALT.

ENGINEERED FOR ACCURACY.

AVAILABLE ON DW717 AND DW718

DW717 mitre saw comes fitted with the new DEWALT XPS™ system as standard. This unique technology not only illuminates your work area, but the shadow of the blade shows you exactly where your cut will be. No need for calibration. Your cut line is right, every time. Available on DW717 and DW718 Mitre Saws.

EXTRA LIFE AND RELIABILITY
