Why Mesh?

1. Performs at least 4 x longer than traditional DEWALT® sandpaper
2. 25% smoother surface finish than the equivalent grit DEWALT® sandpaper
3. Universal fitting - no dust extraction hole patterns to align
4. The mesh construction allows full sheet dust extraction
5. Can be washed, dried and re-used

Price	SSP £739.00 (£886.80 incl.VAT)

Narrow Ripping

Improved design allows for thin ripping. Usually the most difficult cutting process

Multi-function fence

More versatile design allows wide ripping with material support and narrow ripping

Power

Newly Designed Transmission delivers up to 2000W (230V), 1700W (110V)

No Load Switch

The switch is automatically reset if power is lost

Improved Mobility

Lighter weight and more compact. Optional lightweight wheel stand, with skids for easy loading and unloading

LAMINATE TRIMMER — DWE6005

DWE6005

Power Input	590W
Power Output	340W
No Load Speed	1600-34000RPM
Plunge Stroke/Movement	22mm
Collet Size	6 (1/4" GB / LX)mm
Max. Cutter Diameter	29mm
Weight	1.5Kg
Length	110mm
Height	205mm
Hand/Arm Vibration	2.5m/s²
Price	SSP £123.00 (£147.60 incl.VAT)

Engineered for precise woodworking applications: small radius chamfers, shaping edges

Unrivalled Comfort, Accuracy, Performance

PERFORM & PROTECT

DEWALT is constantly pushing the boundaries to create the most innovative tools for the construction professional. Power tools which carry the Perform & Protect shield have passed rigorous testing to ensure they exceed the highest demands of the toughest environments, while maintaining a fundamental emphasis on safety. All of these products have to meet strict criteria in one or more of the following core areas: Control; Vibration; Dust.

20MM SUB-COMPACT HAMMER

The latest addition to the DEWALT® hammer range has been built with you in mind. Featuring new levels of power and comfort making it ideal for those repetitive jobs.
